

CHC50113

Diploma of Early Childhood Education and Care

Nurturing a child's growth so they can create their own future success is one of the most rewarding careers you can have in children's services.

A qualification in early childhood education will prepare you to work in a range of early childhood education and care services through engaging with children to support their learning, development and wellbeing. Operating since 2001, our training organisation is approved to deliver a range of courses outlined on the national database for vocational education and training in Australia.

CHC50113 Diploma of Early Childhood Education and Care

The Diploma of Early Childhood Education and Care reflects the role of early childhood educators who are responsible for designing and implementing curriculum in early childhood education and care service.

Qualified graduates are equipped to supervise staff at a child care centre and may also be responsible for designing and implementing learning frameworks at early learning centres.

➔ Entry Requirements

There are no formal entry requirements however sound language, literacy and numeracy skills combined with a moderate level of computer literacy skills are required. Your capacity to complete the assessment items within the specified timeframes is also necessary.

Applicants must be aged 18 years or above. In line with legal requirements, applicants need to successfully complete a Working with Children Check before commencing any work placement.

🕒 Course Delivery and Duration

The course is delivered through a blended learning approach including face-to-face classroom training, a variety of assessments, flexible self-study, and a practical work placement.

The standard duration of the course is 1 to 2 years (including placement) however different schedules can be adopted to suit the learner cohort and reduce the course duration.

🏠 Placement

Students are required to complete a minimum of 240 hours of practical work placement in an early childhood setting to ensure they have the relevant practical skills and knowledge to work in the industry.

📖 Course Requirements

28 units of competency are required to complete this qualification, including 23 core units and 5 elective units.
